200+ Club

WHO ARE THE SWANS?

An organisation formed to assist disabled and/or handicapped people to participate in leisure and sporting activities and enjoy them to the same extent as more fortunate able bodied folk.

WHY A 200+ CLUB?

It costs money to provide a clubroom and sporting facilities — for example, over £200 per week for a clubroom and the use of the ToneZone and swimming pool and transport for our members.

Income is from various sources, not the least of which are the fundraising activities of the disabled people themselves.

In order to provide a regular flow of money to contribute to the club facilities, you are invited to join the "200+ Club" which has been formed.

HOW DOES IT WORK?

Members are invited to contribute £1 per month (more if they wish) of which 50% goes to the Swans charity with the other 50% being returned to the members as prizes drawn monthly.

PRIZES

It is intended to have at least 200 members, and the prizes for this number are shown below, together with those for 150 and 125 members. Whatever the membership, 50% of all contributions are returned as prizes.
